Why PowerMind NLP?

- **Practical, Not Just Theoretical** – Every concept is applied through real-life exercises, so you leave with skills you can use immediately.
- **Blended Approach** – Combines classic NLP with emotional intelligence, mindfulness, and high-performance coaching for deeper transformation.
- **Premium, Personalised Experience** – Small group sizes, direct mentoring, and life-long post-program support to ensure lasting results.

Our Testimonials

I have had an amazing experience so far with the NLP program. The sessions have been incredibly insightful, and I look forward to attending many more. Sagar, the facilitator, is exceptional—his knowledge and teaching style make each session engaging and valuable. Considering the cost of the program, the knowledge and skills I have gained are priceless.

Liane Shaw
Head Coach, Founder
SATURDAY, Singapore

I was recommended by a friend to take the NLP course with Sagar—and I'm so glad I did. Sagar has a brilliant way of making the content engaging and easy to understand, using real-life stories, practical examples, and a great sense of humour. After every session, I walked away learning so much, and I'm already seeing the impact in how I think and communicate. I highly recommend this course to anyone interested in NLP.

I highly recommend Sagar's NLP program to anyone who wants to deepen their understanding of human behaviour and improve their ability to connect and influence. Whether you're a coach, in sales, a leader, or simply someone looking to enhance your interpersonal skills, this program is invaluable. Sagar presents the material with patience and care, creating an engaging and supportive learning environment. The program is thoughtfully structured, with a perfect blend of interactive sessions and practical exercises to reinforce learning. It's a truly worthwhile investment!
