NFNL Certified Basic Practitioner Online Workshop June 2025

NLP is a way of life

Neuro-Linguistic Programming (NLP) is the science of excellence and rapid personal transformation. It offers powerful tools for influence, growth, and clear communication. Widely used in business, therapy, education, and self-development, NLP helps individuals unlock their true potential. This workshop offers over 40 hours of hands-on training in practical NLP techniques that can be applied immediately. You will sharpen your skills to create real, lasting impact in both personal and professional lives.

NLP is the New Technology of Achievement and Modelling Excellence. It will benefit everyone from a recent graduate to a top executive, irrespective of profession or discipline. CEO's, Managers, Businessmen, Consultants, Trainers, Doctors, Lawyers, Accountants, Teachers and other professionals will find it rewarding.
